An appropriate deposit will be taken on your credit or debit card and a refund made less balance of hire cost and damages upon return of the bike.

## Bicycle Hire Details

Bikes are average size, robust touring style in crossbar or step through form. With crank or hub motor depending on availability. All have a design range of at least 30 miles (or usually more) but no guarantee is given on this as the range depends on the amount of assistance used. Advice on riding an Ebike efficiently is freely available.

Ebike type	No. of bikes	No. of days	Total cost
Step through			
Crossbar	Not available		
		Total £
